- **Games**
- **Movies**

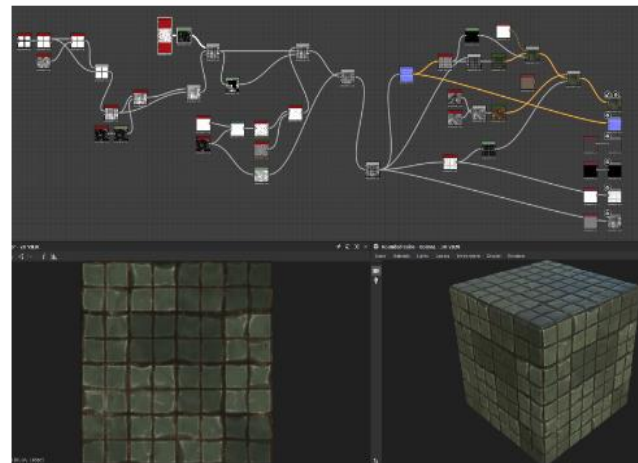

# Visuals

- Stylized
- Simplistic
- Cartoonish

Textures

# Feedback

- **Customization**
- **Narrative**
- **Subjective opinions**

## KIDS

- Change of colors
- Player name
- Score-board
- Easy to understand
- High replay value
- Feels responsive
- Feeling of being skilled
- Challenging in balanced way

## INDUSTRY PEOPLE

- A working core-loop
- Feels responsive
- Unclear narrative in the gameplay
- Variations

FROM THIS

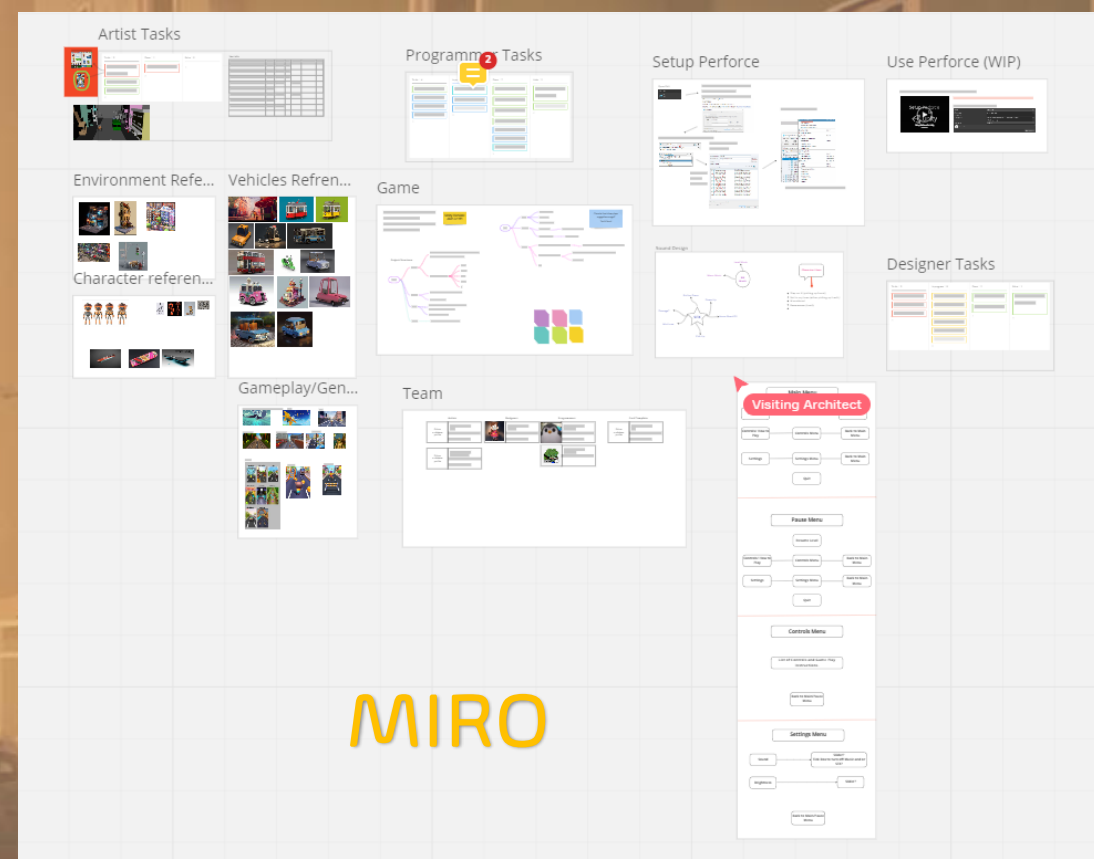

TO THIS

- Trash cans **serve** as fuel for the hoverboard.
- We already **had** the trash can models from before.
- Player **purpose**.

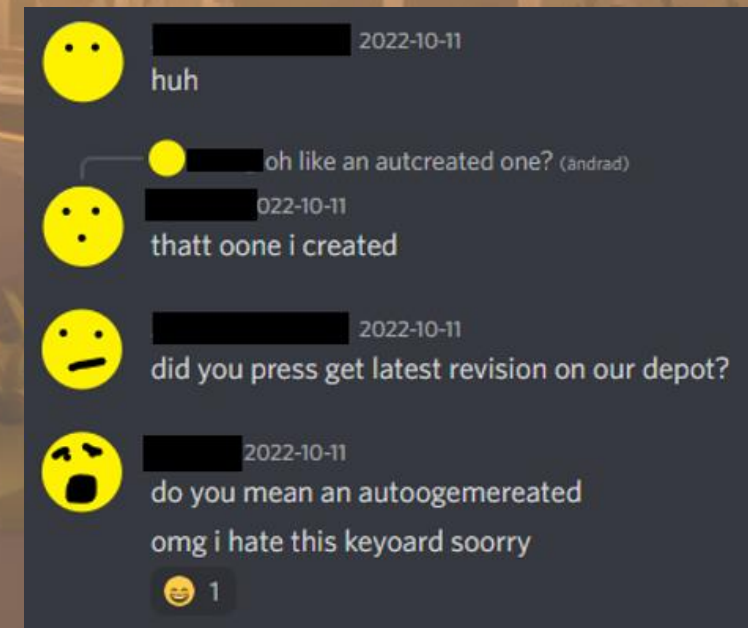

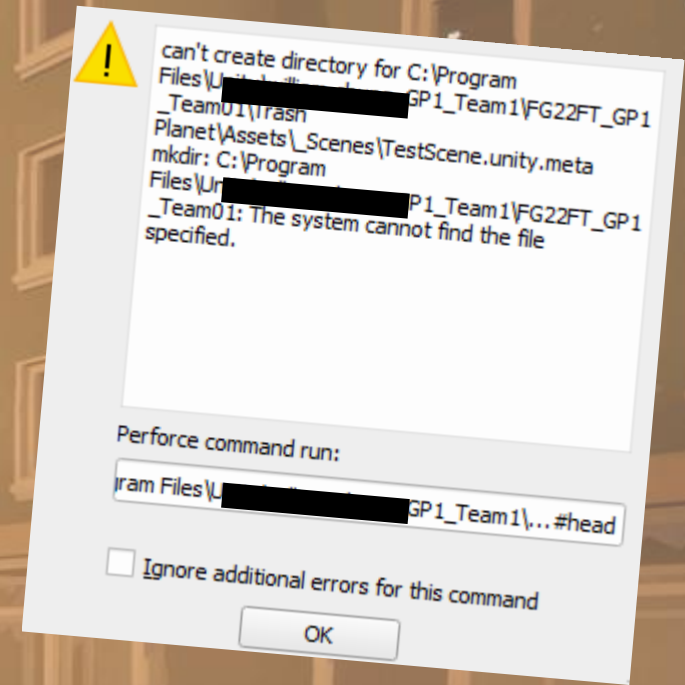

# Teamwork

- **Communication**
- **Meetings**
- **Vision**

# Problems & Obstacles

- **Getting started**
- **Perforce**
